Confidential Pricing Bulletin - Seal Program Q3

DEMO DATA - SYNTHETIC DOCUMENT. Generated for the NIRVA internal hackathon demonstration. Not a real plant record. CONFIDENTIAL - supervisor access only.

1. Internal Pricing Adjustments

SEAL-P204-KIT internal price increases by 12% effective next quarter.

COUP-P204-A is discontinued; remaining stock is reserved for critical work orders.

GBL-P204-SET pricing is unchanged; volume discounts apply above 20 units.

LUB-TURB-46 bulk contracts renew at a 4% discount off list price.

These figures are internal only and must not reach the supplier network.

2. Distribution Restriction

This bulletin is restricted to supervisor and administrator roles.
Do not forward figures to suppliers or field engineers.
Contact plant procurement for any clarifications.
